All colors shown are stocked standard colors. Special or matching colors may require minimum order and/or additional charges and extended lead time. Ask your sales representative for details.

All material is painted with silicone polyester paint guaranteed to hold up against chalking, chipping, cracking, fading, and peeling.

All colors are available for doors and filler panels or any 26 gauge material. Paint is guaranteed with a 20 year film integrity warranty. Refer to each color for the number of years warranted not to chalk or fade. See details on official warranty for complete coverage. Exclusions may apply.

Note: These colors may not match those of other companies despite the color names being identical. Actual color chips are available.
